# Message From the Executive Director

**“Whoever saves one life, it is as if he had saved all of mankind.”**  
(Surah Al-Ma’idah)

**Assalamualaikum my brothers & sisters,**

This past year has been nothing short of transformative, and it’s all because of you. For over 43 years, your support has been the heart of IMRC’s mission. Together, we’ve reached families and communities in need across India, Alhamdulillah.

From providing life-saving healthcare to supporting orphans and widows, your contributions are restoring dignity and hope where it’s needed most. And here’s the thing: it’s not just about what you’ve given; it’s about the trust you’ve placed in us. You’ve allowed us to be the hands that

carry your generosity to those who need it most, and we don’t take that lightly.

**As Allah reminds us, “Whoever saves one life, it is as if he had saved all of mankind” (5:32)** and your kindness does exactly that—every single day.

May Allah reward you for every dua, every gift, and every effort that fuels this mission. Together, we’re building a brighter tomorrow for those who need it most.

**Jazak Allahu Khairan,**

This year, **118,908 people** received medical care, including free dialysis and eye surgeries, Alhamdulillah.

Through the India Health Initiative, doctors from the USA provided free checkups, lab tests, and medicines. Community clinics like Khidmat Clinic (Moradabad), Danbir Clinic (Howrah), and others across India offer free healthcare.

# Education

“Seeking knowledge is an **obligation upon every Muslim.**” (Sunan Ibn Majah)

Education transforms lives, and through 22 institutions across India, we’re providing primary to higher education for thousands, along with scholarships and school supplies to ensure access for all.

Over 1,300 students are pursuing degrees at Jahangirabad Institute of Technology in engineering and pharmacy. With the new Pharmacy College building ready, M.Pharm and Pharm.D programs will soon begin, creating new opportunities for students.

 **34,835** Students Supported

 **4,188** Students Supported at the Skill Development Centers

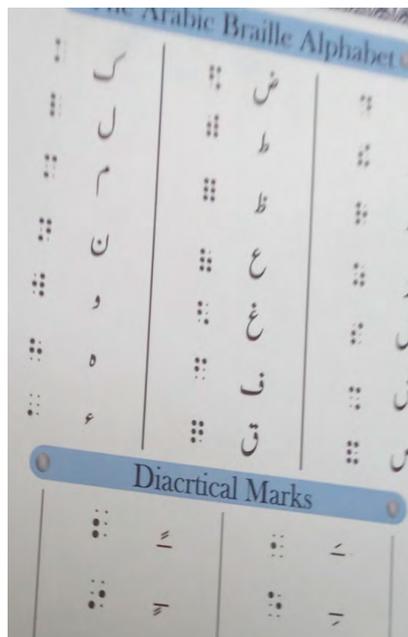

Our Full Stack Academy equips students with software engineering skills, while skill centers train individuals in paramedical services, mobile repair, etc. Edventure Park in Hyderabad supports entrepreneurs, turning ideas into businesses.

## Braille Qurans

Madrasa-e-Imdadiya in Tamil Nadu is home to 250 children, including 45 visually impaired students, providing both religious and academic education. With generous donor support, IMRC funded equipment for printing Braille Qurans, enabling the distribution of over 1,000 free copies to verified blind individuals across India and beyond. However, with only one Braille printer, the demand remains greater than their capacity.

To continue this mission, the madrasa urgently needs another Braille printer, along with support for feeding the children and improving facilities. Contributions will help ensure these students receive the education, care, and resources they deserve.

As Allah reminds us,  
'They give food in  
spite of love for it to  
the needy, the orphan,  
and the captive.'  
(Surah Al-Insan)

During disasters, your support brought  
relief to 15,300 people this year.

# Emergency Relief

**From food and shelter to rebuilding homes and lives, your generosity was a beacon of hope for families recovering from floods, fires, and communal violence.**

## **Shelter Rehabilitation – Muzaffarnagar, Uttar Pradesh**

Constructed solid shelters, paved roads, and provided drainage systems for displaced families.

Built 160 toilets and bathrooms, installed sturdy gates, and improved sanitation facilities.

## **Fire Relief – Amour, Bihar**

Provided emergency food kits to 100 families. Rebuilt 30 homes, benefiting 150 people.

## **Flood Relief – Bela Situhar, Bihar**

Supported over 1,800 people through a community kitchen, grocery kits, new clothes, and footwear. Delivered a generator for essential services and planned long-term rebuilding, including homes and 20 clean water hand pumps.

## **Fire Relief – Warwan Valley, Jammu & Kashmir**

Provided groceries, cattle feed, warm clothes, household items, and agricultural tools to 120 households in a remote, high-altitude region.

# Orphan and Widow Support

This year, your kindness brought security and hope to **2,249** orphans and **3,595** widows.

Orphans received food, shelter, and education to grow with dignity. Widows found the strength to rebuild their lives through the food kits and care you provided.

The Prophet Muhammad (saw) said, 'I and the one who sponsors an orphan will be in Paradise together like this,' holding his fingers close together. (Sahih Al-Bukhari)

Special highlights included nutrient-packed dates for suhoor and iftar, rice pudding on Eid, and fitra distributions to spread community compassion.

Thank you for ensuring families never had to go hungry. May Allah reward you abundantly.

# Social & Financial Aid

The Prophet Muhammad (saw) said, **'The most beloved of deeds to Allah is to make a Muslim happy.'** (Al-Adab Al-Mufrad).

You helped 57 orphan girls celebrate their weddings with dignity, and 200 families experience the joy of Eid with new clothes.

These weren't just gifts—they were reminders to those in need that they are valued and cared for.

## Water Wells

Clean water transforms lives. This year, Alhamdulillah, **86 new water wells** brought safe drinking water to thousands.

With these wells, women no longer have to walk miles, and children can stay healthy and focus on school. Allah says in the Qur'an, 'By means of water, we give life to everything'. (Qur'an, 21:30). Thank you for giving the gift of safe drinking water to thousands.

Abu Hurairah reported The Messenger of Allah (PBUH) said “When a person dies, their deeds come to an end except for three things: sadaqa jariyah (ceaseless charity), a knowledge which is beneficial, or a virtuous descendant who prays for them (for the deceased).” –Sahih Muslim

# Endowment Program

Through this program, you can give a gift that keeps on giving in this life for the akhirah, inshaAllah. It's a way to continue earning sadaqa jariyah (ceaseless charity) and make a meaningful impact for generations.

An Endowment is a meaningful opportunity to honor your loved ones and demonstrate to our youth the importance of philanthropy. Through your generous gift, IMRC's Legacy Projects can continue in the fields of education, healthcare and economic development. Our focus is uplifting the less fortunate in India and your participation will allow us to further strive towards this goal. Contact IMRC for more information.
