45 YEARS OF SERVICE

1981-1985

FOUNDATION YEARS

Born from the Assam crisis, IMRC mobilized emergency aid, launched 1,000+ orphan scholarships, and supported 50 schools — the beginning of 45 years of service.

1986-1990

EDUCATION & STRUCTURED RELIEF

Responded to riots and floods across UP, Assam, and Gujarat — supporting 5,000+ children and launching widow rehabilitation programs in Ahmedabad.

1991-1995

NATIONAL SCALE & INSTITUTIONAL FUNDING

Delivered Babri aftermath relief in Bombay and Calcutta, assisted 14,000+ students, and launched the Higher Education Support Program.

1996-2000

SCHOOLS & SKILL DEVELOPMENT

Built 40+ village schools across AP and Bihar, awarded 7,500 scholarships in a single year, and reached 24,000+ patients through mobile clinics.

2001-2005

CRISIS RESPONSE & HIGHER LEARNING

Rehabilitated 5,500+ families after the Gujarat earthquake, awarded 13,000 scholarships in 2002, and Jahangirabad Campus launch with engineering & media institute.

2006-2010

MASS FEEDING

150,000+ students reached, 3 million Ramadan meals served, and disaster relief delivered across Bihar, Assam, and Rajasthan.

2011-2015

HEALTH, WATER & QURBANI

Treated 6,000+ patients under IHI, distributed 2 million+ meals, built wells serving 156,000 people, and delivered Qurbani to 550,000.

2016-2020

EMERGENCY RESPONSE & RESILIENCE

Provided emergency relief to 32,000+ annually, healthcare to 55,000+ annually, and Covid relief to 760,000 people — while supporting 12,760 students each year.

2021-2025

CONTINUING 45 YEARS OF SERVICE

Delivering 7-11 million meals annually, winter aid to 33,000+, medical care to 130,000+, and education support to 21,500+ students every year.

A Year of Work, **Built on** **Decades** of Commitment

IMRC's work is part of a much longer continuum of service—one shaped by years of presence, learning, and trust built within communities across India. The programs highlighted in this report did not emerge overnight; they are rooted in decades of experience responding to evolving humanitarian needs.

Over the years, our approach has grown from localized interventions to multi-sector programs, spreading education, healthcare, food security, water wells, and emergency response. This evolution reflects both changing realities on the ground and a sustained commitment to long-term, dignified solutions.

In 2025, this legacy translated into focused action—strengthening core programs, expanding reach where needs were most urgent, and continuing partnerships that ensure accountability and impact. Each initiative documented in this report stands on a foundation laid years earlier.

Board of Directors

- Maqsood Quadri — President
- Javed Sikander — Vice President
- Nusrat Deen — Vice President
- Rauf Patel — Treasurer
- Omair Farooqui — Secretary
- Altaf Ghorī — Board Member
- Homaira Naseem — Board Member
- Mukaram Syed — Board Member
- Dr. Afzal Ahmed — Board Member

Board of Trustees

- Manzoor Ghorī — Chairman
- Najmul Hai — Treasurer
- Saqib Syed — Trustee
- Dr. Jahangir Alam — Trustee
- Ishrat Hakim — Trustee

MESSAGE FROM THE

EXECUTIVE DIRECTOR

Alhamdulillah,

I feel happy to inform you that IMRC has completed 45 years in service to those in need across India. As we reflect on 2025, we do so with a strong sense of responsibility and gratitude.

Year after year, IMRC is entrusted with resources, expectations, and hope — and it is this trust that continues to shape our priorities, guide our decisions, and strengthen our commitment to responsible service.

This year marked meaningful progress across our core areas of work. Our programs advanced institutional healthcare, expanded education access, strengthened livelihoods, supported orphaned and vulnerable children, and responded to emergencies. In every area, we continued to grow in both scale and impact.

I extend my sincere gratitude for your trust and continued support. Your partnership continues to make this work possible and meaningful.

For 45 years, IMRC has remained steadfast in its mission of serving vulnerable communities through sustainable, community-centered initiatives. This enduring journey has been made possible through the continued confidence of our donors, the dedication of our volunteers and teams, and the strength of the partnerships we have built over generations.

I would like to thank Allah (SWT), our board members, dedicated staff, chapter members, and volunteers for their unwavering support. I pray to Allah that He bless you and your family for donating your zakat and sadaqa generously through IMRC. Together, we have helped make a difference, and I look forward to working with you in the coming year. Please take care, and stay safe, Insha'Allah.

Every act of kindness creates a ripple.

Together, we create lasting change.

Manzoor Ghori
EXECUTIVE
DIRECTOR, IMRC

2025 Beneficiaries Served

ACROSS PROGRAMS

Every number represents a life touched, a family supported, and a community strengthened. Together, we continue to create lasting change.

24,902
Education

Students supported through schools, scholarships, and educational resources.

129,678
Healthcare Access

Individuals provided with medical care and health services.

269,750
Water well access

People gained access to clean and safe drinking water.

2,624
Orphan Support

Orphans supported with care, education, and a brighter future.

97,204
Emergency Relief

Families received urgent aid during times of crisis and disaster.

4,065,051
Feeding Program

Nutritious meals provided to individuals and families in need.

74,912
Winter Relief

Individuals and families supported with warmth and essential supplies.

3,500
Eid Clothes

New clothes provided to children and families during Eid.

TOTAL IMPACT
Lives Touched Through All Programs

4,667,621+

FOOD PROGRAM

Nourishing Communities

At IMRC, we believe that no one should go to bed hungry.

Our food program works every day to ensure that individuals and families—especially the most vulnerable—have access to nutritious meals and essential food support.

OUR APPROACH

Our approach is built on four pillars that guide our efforts and create lasting impact.

DAILY MEALS

Nutritious cooked meals provided daily at feeding centers for those in need.

SEASONAL SUPPORT

Ramadan and Qurbani programs that bring food and hope during critical times.

COMMUNITY REACH

Food grain and meal support for orphans, schools, and vulnerable households.

FOOD STABILITY

Strengthening food security and dignity beyond emergency relief.

DELIVERING MEALS, MAKING IMPACT

Through our food programs, we are able to reach more people, in more places, with consistency and care. Together, we are fighting hunger and building stronger communities.

RAMADAN PROGRAM

Iftar meals and dates packets for families throughout the Holy Month.

QURBANI PROGRAM

Meat distribution to vulnerable families ensuring dignity and joy.

FOOD GRAIN SUPPORT

Staple food support for orphans, schools, and low-income households.

EMERGENCY FEEDING

Immediate meals for communities impacted by crises and disasters.

RAMADAN 2025

QURBANI 2025

EDUCATION

Empowering Minds. Shaping Futures.

From classrooms to careers — we invest in potential, expand possibilities, and build a **brighter tomorrow**.

IMRC's education initiatives span schools, scholarships, technical training, higher education, and emerging technology programs—creating pathways for students from underserved communities to learn, grow, and succeed.

— A NEW CHAPTER AT JIT —

JAHANGIRABAD PHARMACY COLLEGE

— NEW BUILDING | NEW POSSIBILITIES | NEW IMPACT —

We are proud to announce the completion and inauguration of the new Jahangirabad Pharmacy College building, a major milestone in expanding our facilities and advancing quality education at JIT.

IMRC’s education initiatives focus on expanding access to quality learning across multiple levels—from early education and schooling to higher education, technical training, and skill development.

Through a combination of institution-building, school support, scholarships, and technology-enabled learning, IMRC works to ensure that students from underserved communities are able to continue and complete their education despite economic barriers.

Our Focus Areas

JAHANGIRABAD INSTITUTE OF TECHNOLOGY (JIT)

- MIT student-led AI & Machine Learning training in JIT, covering Python, machine learning, deep learning, NLP.
- Infrastructure Expansion (2025):
- New Pharmacy College building completed, serving over 400 students.
- Hostel constructed, accommodating 300 students.

SCHOOL & INSTITUTIONAL SUPPORT

- Sahayata Public School, Ghorihat – Support provided to 196 students
- Islamic Nursery School, Aligarh – Educational support for 530 students
- Infinity Public School, Kursi (Barabanki, UP) – Computer & science lab setup benefiting 300 students
- Daffodils School – Resolved operational deficit, enabled uninterrupted schooling for 1,200 students
- Danbir Academy, West Bengal – Served 182 students, including 35 orphaned children.

SKILL DEVELOPMENT & TECHNOLOGY PROGRAMS

- AI and Robotics course support extended to 500 students.
- Focus on building foundational technology skills alongside formal education.

MIT Student led AI & Machine Training

Smart Classroom Learning Environment

Healthcare

American Doctors Visiting India

129,678+
Beneficiaries

IMRC's healthcare initiatives are centered on improving access to quality medical services for underserved communities through institutional care, rural outreach, and volunteer-driven medical interventions.

A cornerstone of this effort is the Indo-US Hospitals in Hyderabad, expanding clinical capacity across maternal healthcare, pediatrics, diagnostics, surgery, and specialty care — while serving patients from economically vulnerable backgrounds.

IHI

India Health Initiative

IMRC's long-running **India Health Initiative** strengthens community healthcare through free medical camps conducted in collaboration with volunteer physicians from the United States, local medical professionals, and trained volunteers. Together, these initiatives reflect IMRC's commitment to delivering accessible healthcare services rooted to serve community needs.

A New Era of Neonatal Care

The inauguration of our 15-bed Level IV Neonatal Intensive Care Unit (NICU) marks a significant milestone in strengthening specialized healthcare services at the Indo-US Hospital in Hyderabad. Designed to care for premature, critically ill, and high-risk newborns, the facility is equipped with advanced neonatal technology and supported by trained medical professionals. This expansion reflects our commitment to improving access to quality healthcare and ensuring that vulnerable newborns receive the life-saving care they need during their most critical moments.

Behind every hospital visit was a mother who could finally breathe easier. Behind every surgery was someone able to return to work and provide for their family. Behind every safe delivery was a life that came into the world against the odds.

Many of these patients had never met a specialist, never had proper tests, and never stepped inside a hospital before. For many, this was their very first chance at real care.

This is what your trust makes possible — not just equipment or buildings, but the moment someone no longer has to suffer alone.

EMERGENCY RELIEF

Rapid response. Recovery.

Across 2025, communities in multiple regions of India faced repeated emergencies—driven by erratic monsoons, flash floods, residential fire incidents, and infrastructure vulnerabilities that left families suddenly without food, shelter, or safe water.

From early monsoon flooding to late-season disruptions, the scale and frequency of crises required rapid, coordinated responses across states and districts.

Our relief efforts focused on speed, reach, and dignity. Through multi-phase relief drives, teams worked alongside local partners to distribute essential food supplies, bedding, utensils, and basic necessities—often within days of impact. As conditions evolved, relief efforts expanded to meet ongoing needs, ensuring support did not end after the initial response.

Throughout the year, IMRC remained committed to responding where needs were greatest—prioritizing vulnerable families, adapting to changing conditions, and supporting recovery alongside immediate relief.

RELIEF DRIVES ACROSS INDIA

Urban & Central India Flood Response

- **Telangana (Hyderabad):** 4,800 families received food kits.
- **Uttar Pradesh (Hardoi, Shahjahanpur, Farrukhabad):** 6,000 families received food kits.
- **Rajasthan (Surwal Dam, Sawai Madhopur):** 1000 families received food & essentials kit.

J&K Floods

Phase 2 & Assam Displacement

- **Kashmir:** Continued meal distribution. 820 families supported in total.
- **Assam:** 3,000 families received food & shelter.

North India: Flood Response & Fire Relief

- **Bihar:** 1800 families received staple food kits.
- **Madhya Pradesh (Silvani, Raisen):** 150 families
- **Jharkhand:** 200+ families received food kits.
- **Uttarakhand:** 300 families
- **Rajasthan:** 42 families received food kits, seeds, utensils, clothes, tent & essentials.

Kashmir floods

- **Ramban, Kashmir:** 300 families received food kits, utensils & bedding.

Punjab Famine & Flood Relief

- Farming inputs & livelihood restoration: 250 farming families received fertilizer & diesel.
- **Rajasthan:** 900 families received food kits.
- **Tirupathi Floods:** 600 families received utensils, quilts, clothes & essentials.

Multi-State Flood Expansion

- **Rajasthan (Dag, Jhalawar)**
- **Assam (Dhubri)**
- **Punjab (Bathinda, Malerkotla, Pathankot, Gurdaspur, Amritsar, Tarn Taran):** 1,700+ families received food & essentials kit.

Kashmir Floods – Phase 1

- **Gandarbal, Budgam, Baramulla, Ramban, Akhnoor**
- Flash floods & landslides
- Emergency food, utensils, bedding

Ahmedabad Home Demolition Relief

- 1,200 displaced families received cooked meals, food kits and shelter.

WATER WELLS

**CLEAN WATER.
HEALTHIER LIVES.
STRONGER
COMMUNITIES.**

Access to **clean water** is more than a necessity — it's the foundation of health, dignity, and opportunity. We build sustainable solutions to bring that foundation to every community.

Sustainable Water. Lasting Impact.

From installing water wells and hand pumps to promoting hygiene awareness, our initiatives ensure reliable access to clean water for thousands of families. Together, we create healthier communities and a better tomorrow.

“*The best charity is giving water to drink.*”
– PROPHET MUHAMMAD (PBUH)

A single well nourishes an entire village — its people, its livestock, and the wayfarer passing through.

IMRC's water initiatives improve access to clean and reliable water in underserved communities by developing sustainable water sources such as tube wells, traditional wells, and hand pumps. In many rural areas, limited access to water affects health, sanitation, education, and economic productivity, making reliable water infrastructure essential for long-term community development.

Access to nearby water sources creates far-reaching benefits beyond daily household use. Families spend less time fetching water, children have more time for education, and communities are better positioned to maintain hygiene and sanitation standards. Reliable water availability also supports livestock, small-scale agriculture, and local livelihoods, helping strengthen resilience and improve overall quality of life.

“At this age, walking to another town for water was hard. Now I have clean water right outside.”

— An elderly widow living in Bhogpur (Haridwar)

SOCIAL AID

Livelihood & Orphan Support

“I no longer serve tea on the floor. I have proper cart!”

— Fatima Begum, Apnapalli

After her husband's passing, Fatima sold tea and snacks from the roadside, on the ground. With a cart from IMRC she can now travel to different areas and offer better service to her customers.

SUPPORTING LIVES. STRENGTHENING FUTURES.

Empowering Livelihoods

Tools, training, and opportunities that create lasting self-reliance.

Caring for Orphans

Providing shelter, education, and nurturing care for a brighter tomorrow.

Meeting Daily Needs

Food, clothing, and essentials that bring relief and restore human dignity.

Building Confidence

Encouraging independence and resilience to help individuals thrive with self-respect.

CARE & SELF-RELIANCE

IMRC's social and financial aid initiatives support vulnerable individuals and families facing long-term economic hardship. These programs focus on stabilizing daily life while promoting confidence and resourcefulness.

Core areas include orphan care, widow and elderly support, and livelihood programs for low-income households. Through the IMRC-operated Challenger Home in Hyderabad and partnerships with orphanages - children receive shelter, education, healthcare, and daily care. Livelihood initiatives such as Project Goat and micro-asset support strengthen income security and reduce dependence on short-term aid.

OUR FOCUS AREAS

Orphan Care

Providing shelter, education, healthcare, and daily care to orphan and vulnerable children.

Support for Widows & the Elders

Offering care, and assistance to widows and senior citizens in need.

Livelihood Initiatives

Empowering families through training, assets, and income-generating opportunities.

Relief & Financial Assistance

Providing timely aid and essential support to help families stabilize and recover.

In Memoriam

Honoring Those Who Helped Build IMRC

Brother Zafar Shaikh

(1948–2025)

In 2025, IMRC mourned the passing of Brother Zafar Shaikh, Chairman of the Board of Trustees and a dedicated volunteer for over 25 years. As head of IMRC’s Endowment Investment Committee, he played a central role in strengthening and overseeing the organization’s investment portfolio, contributing to the financial stability that supports IMRC’s long-term programs.

Professionally, he was part of the founding team of Syntax, bringing decades of corporate and financial experience to his leadership within IMRC. His stewardship remains embedded in the institution he helped guide.

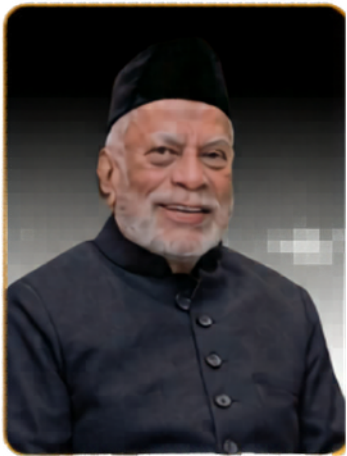

Brother Khaja Husain

(1932–2026)

Brother Khaja Hussain was a beloved elder, devoted community servant, and one of IMRC’s pillars for over 36 years. As Treasurer, he served with remarkable sincerity, integrity, and quiet diligence, helping ensure the organization’s financial stability and trustworthiness.

His dedication went far beyond administration — he made the extraordinary sacrifice of spending five years in Jahangirabad to help oversee the transformation of the historic palace campus into what is now Jahangirabad Institute of Technology (JIT), serving more than 1,300 students today. His legacy lives on as a lasting sadaqah jariyah through the lives, education, and futures he helped shape.

TOGETHER, WE CREATE IMPACT

Our work in 2025 was made possible through the collective efforts of donors, partners, volunteers, medical professionals, educators, field teams, and community leaders who continue to place their trust in the organization’s mission. Their sustained support enables IMRC to respond to immediate needs while building long-term systems across education, healthcare, water wells, food security, and social support.

We are deeply grateful for the commitment, accountability, and shared responsibility that make this work possible.

LOOKING AHEAD

As we look ahead, the focus remains on strengthening program quality, improving data-driven planning, and expanding sustainable models that deliver measurable impact.

The coming year will prioritize continuity of care, institutional strengthening, and responsible growth—ensuring that resources are deployed efficiently and with long-term outcomes in mind.

Guided by experience and grounded partnerships, IMRC remains committed to serving communities with integrity, transparency, and purpose.

Employer Matching

Multiply the Impact of Your Giving

Over 50 companies offer employer matching programs that can extend the impact of your donation. Many employers will match gifts made by employees, employees' spouses, or retired employees. Some companies also match volunteer hours. Please check with your HR department to see if IMRC qualifies, or reach out to us — we are happy to assist you with the process.
